

C.H.A.M.P.

Cougars and Houston Area Math Program

CHAMP is a Mathematics and STEM outreach program for high school students from underserved communities surrounding the University of Houston. Twice per week, CHAMP brings high school students into direct contact with professors and students on the University of Houston campus for hands-on math lessons and tutoring. Volunteer effort for the lessons and tutoring is provided by UH students in the course "Math 3325: Transition to Advanced Mathematics", as well as several students from the [UH Chapter of the National Society of Collegiate Scholars \(NSCS\)](#), the [UH Chapter of the National Society of Black Engineers \(NSBE\)](#), and [teachHOUSTON](#).

Currently high school students from [KIPP Sunnyside](#) are participating in CHAMP. Past high schools involved with CHAMP include [Hope Academy High School](#) and [Stephen F. Austin High School](#).
